Unfinished Business:

Trial Review: Both the May and July trials are closed and in positive balance. The last we heard USDAA was enthusiastic about holding nationals here in the Pacific Northwest. The Columbia Cup is in order, Toni Pearce will be doing an explanation of the new combo class Saturday after the trial. Running orders will be printed by level. The trial has nearly filled. The Black Cat is coming along per Barb White, chairperson, the NW Cup is being chaired by Jim Hibbard, the February trial will have Friday night weavers and touch n go, Saturday and Sunday will have 2 rounds of the combo class and 1 round of jumpers, tunnelers, touch n go and weavers.

Cindi Pruitt has been voted by the board to be the NADAC liaison for CAT, thank you Cindi!

Lisa Klein will be the vendor liaison since she is the Clark County Fairgrounds Liaison and most of our trials are held there. All vendors must contact her to sell their product.

The Board has not heard anything further about the possibility of classes starting up in the St. Helen's area, Kitty will look into this further.

New Business:

Dwight has proposed a budget and schedule for the NW Agility League. The board approved the budget. The schedules can be viewed on the website and sign up's for league will start at the Columbia Cup. Thank you Dwight for handling this again.

A budget was proposed by the CPE committee for a one time trial on November 6-7 at Barb Whites Barn, the board approves this budget pending the voting and approval by the membership. There was much discussion regarding CPE. Cheryl Huffman will look into the membership fee as some people had concern that if they paid the dues and then CAT did not hold anymore trials they would be out \$20.00. Cheryl will look into the possibility CPE defraying the cost. The other concern is equipment spec's as the contact zones are different, the tire is different and so is the spread jump. The trial will be one ring and 350 runs will be allowed. The overall membership did vote to hold one CPE trial at Barb Whites barn. The committee is in place, and judges who were invited will be confirmed.

CAT Bucks design, we have gotten a great design from Bobbie Lyons, we will have her do a little updating for items that need to be listed on the design and will approve them after this. People who receive these Bucks will need to see the website for rules on how to use them.

Meeting adjourned at 6:20PM

Respectfully Submitted by

Lisa Klein, Secretary
