Reading of the minutes by President Karla Forte - Approved

Karla's Report - We have done 3 trials so far this year, we have had fun matches and classes. We should give ourselves a huge pat on the back.

Trey Treasure The club has 16% less revenue and 1% less expenses. We are doing well.

VP Rosie – We have 3 trials left this year. All trial budgets are approved. This year was the fifteenth anniversary of the Columbia Cup.

Training Director – Not here – Classes are in progress

New Member report – Prospective members introduced themselves and spoke of their dogs.

Unfinished business

The Larsen barn ground surface needs fixing. To do this we have to move out all the equipment and till it with new material. We are aiming for a Saturday in September. The repairs to Larsen A-Frame are done. Larsen teeter is back and done. Hoops are done and in the Larsen Barn. Steve Spon is fixing the table too.

CAT Agility League – Dwight Cash is looking for course designers. We will start mid October.

New Business – Remember to look at Agile CAT for club information and announcements! This is how club members get information. If you have not signed up please do so.

New venue locations – We have looked at the fairgrounds in Kelso and McMinnville. We will have the March 2012 NADAC trial at the Cowlitz County fairgrounds in Kelso/Longview. We really need people to chair the Fall Nadac Trial, the Spring Nadac Trial. Tanya Sacks will chair the Fall Nadac Trial. Cheryl Huffman will chair the April CPE trial. We also need chairs for the 2 USDAA trials in 2012. They will be in August and October.

We discussed having CPE nationals in 2012 in June at the Canby Fairgrounds and the board is working on getting more information. CPE is not interested in having nationals in Portland in 2013.

Kitty Ware mentioned at the August Fun Match will be on the first Sunday in the Forest Grove barn. Kitty also asked are we going to do anything regarding the Forest Grove teeter? Karla mentioned that the sale might happen soon. Karla committed to fixing the teeter.
